

Child Protection

Working alongside our students it is imperative that you are aware of the following information:

If a child discloses any sensitive information to you or gives you any cause for concern then please ask reception for a 'Child Protection Incident Form' to complete. This form needs to be passed to the child protection officer below:

Named Officer 1 – Mrs L Sexton – Deputy Head teacher

Named Officer 2 – Mr P Ward – Head teacher

Named Officer 3 – Ms A White – SENDCO

The school can be contacted on **01708 342293** if you would like to make an anonymous referral.

A Child Protection Referral should be made as quickly as possible to enable the best possible response for the student. This allows us to safeguard all students and offer them the support that they require.

Thank you for helping to keep our students safe
