

VALUES AND ETHOS STATEMENT

At Redden Court, our Mission Statement has been formulated as a result of the collective input of all stakeholders in our community, parents, staff, governors and particularly our students. We have chosen to express our mission through our ASPIRE logo:

and our ASPIRE ethos:

Achieve and Accomplish

“At Redden Court we support and challenge each other to achieve and accomplish”. **Connor H**

“I want to be successful in everything I do. For me it is not enough to just become okay at something. I like to know that I have not only achieved but that I have become accomplished.” **Lucy E**

Share and Support

“Sharing is something I value – for me, sharing is caring. I value other people’s opinion as they help me to build my own ideas.” **Olivia W**

“From as soon as I started at Redden Court it was clear that everyone was happy to listen to my ideas and give me help when I needed it.”

Daniel O

Pursue and Persist

“Being knocked down doesn’t mean you just give up, it means you get back up and try even harder. It’s the world telling you to just give that little bit more.” **Scarlet J**

“When I have my eye on something, whether it’s an ‘A’ in a science test, or a game winning try in rugby, I practise, practise, practise. If I keep improving, eventually I will reach my goal.” **Luyi G**

Innovate and Inspire

“At Redden Court I am inspired to innovate and to think outside the box. I am encouraged to expand my knowledge and to ask myself, “what if” and “why”. **Megan C**

“I think it is as important to inspire as it is to find inspiration. I am a reading mentor and hope to inspire those that I support.” **Thomas B**

Reflect and Refine

“In lessons, we are encouraged to think deeply about our work, recognise what we have done well and see how we can develop it. Sometimes it is hard, to be honest, but I know it will help me to succeed.” **Katie C**

“Reflecting and refining means to a lot – I’m not scared to learn from my mistakes. I am able to go back to my previous work and pick out the points I can improve.” **Laura Y**

Engage and Excel

"I want to surpass the expectations others have of me and know that I will need to work hard at everything - even the little things – that I need to do." **Kim D**

"I have high expectations for myself, but I know that success doesn't come without hard work." **Jed R**

Achieve & Accomplish - to gain the knowledge and skills necessary for our present and future wellbeing

Share & Support - to develop those around us by our thoughts, words and actions, and through guidance, compassion and understanding

Pursue & Persist - to set ourselves challenging tasks and not be deflected by, but instead learn from the difficulties that will come our way

Innovate & Inspire - to value creativity and seek wonder and awe in all that we do

Reflect & Refine – to recognise our potential to improve and sharpen our practice accordingly

Engage & Excel - to embrace the job in hand so as to exceed our own and others' expectations

We believe that all members of our community should be aspirational, supportive of each other, persistent, innovative, reflective and willing to engage at all times.

Our aspirational values will ensure that everyone in our community is committed to success for all.
